

Lajna Ima'illah

رمضان

Ramadan is near,
Ramadan is near

The gates of Hell close,
And Heaven's light bestows

Shunning all worldly desires for Your sake,
I embrace thirst and hunger for Your grace

Clinging to the Quran, I revel in Your remembrance,
From dusk till dawn, I do not rest, seeking Your presence

Ashra e Rahmah showers a gentle rain,
Your Mercy's depths, I fully attain

At Ashra e Maghfirah's call,
Astaghfirullah, forgive my soul

Ashra e Nijat, my journey's end in sight,
Protected from Hell, my soul takes flight

Ramadan is near,
Ramadan is near.
